Dear Anthony,

We are excited to announce that Assembly and Convocation, hosted by the Yale Alumni Association and Yale Alumni Fund, will be held on **November 14 - 15, 2024** in New Haven. The programs will offer insights on the theme:

Leading for a Better World: Advancements in Health, Historical Inquiry, and the Environment at Yale

You will have the opportunity to participate in tours, networking opportunities, faculty lectures, and more throughout the two-day event. Helpful Information:

- **Schedule:** Assembly and Convocation programs will begin on Thursday morning and run until Friday evening after the Yale Medal dinner and ceremony.
- **Hotels & Accommodations:** To ensure you receive emails promptly, please add assembly.convocation@yale.edu to your contacts, and **look for an email in the coming weeks regarding hotel room blocks**. If you do not plan to book accommodations through the reserved room blocks, we

recommend that you secure your reservations as soon as you can. In the meantime, make your travel reservations and clear your schedule for this exciting and informative event.

- **Saturday Activities:** If you plan to stay for activities on Saturday, November 16, you can book a hotel under the same rate, however you will need to purchase tickets directly from the event presenter (e.g. Athletics, theaters, museums).

Program registration and additional details will be made available in the fall. Read more [FAQ's on the YAA website](#).

Thank you for your dedication and volunteerism – we look forward to seeing you in November.

Sincerely,

The Assembly and Convocation Planning Team
